NOTICE OF PUBLIC HEARING GREAT BASIN UNIFIED AIR POLLUTION CONTROL DISTRICT REVIEW OF 2010-2011 ORDER ASSESSING LADWP MITIGATION FEES

The Governing Board of the Great Basin Unified Air Pollution Control District will conduct a public hearing for the purpose of reviewing a proposed order (budget) authorized by California Health & Safety Code Section 42316 requiring the City of Los Angeles to pay fees to the District to fund air quality mitigation measure development and other costs, and fixing the amount of those fees. These fees constitute the assessment for the 2010-2011 fiscal year and are based on an estimate of the District's actual costs associated with air quality mitigation measure development and related air quality analysis. A description of the proposed fee assessment order (budget) is available for inspection at the District office at the address shown below. The order (budget) will not be adopted at the same meeting during which this public hearing is conducted. Rather, the Governing Board will consider adoption at its next regular meeting, tentatively scheduled during May, 2010.
