NOTICE OF PUBLIC HEARING GREAT BASIN UNIFIED AIR POLLUTION CONTROL DISTRICT PROPOSED MODIFICATION TO ABATEMENT ORDER

The Governing Board of the Great Basin Unified Air Pollution Control District will conduct a public hearing for the purpose of considering a joint petition from its Air Pollution Control Officer (APCO) and the Los Angeles Department of Water and Power (LADWP) to modify a Stipulated Order for Abatement (Order 110317-01) adopted by the Governing Board on March 17, 2011. The Order would be modified by providing the LADWP with four additional months to complete testing and construction of approved Best Available PM₁₀ Control Measures on an area of the Owens Lake bed known as T12-1. The current deadline for completion of PM₁₀ controls is December 31, 2015. The revised deadline would be May 1, 2016.

The public hearing will be conducted at a regular meeting of the District Governing Board to be held at 10:30 a.m. on Monday, February 6, 2012 in the City Council Chambers at the Bishop City Hall, 377 West Line Street, Bishop, California. The public hearing will be held after 10:30 a.m. Written comments are invited, and should be addressed to Theodore D. Schade, Air Pollution Control Officer, Great Basin Unified Air Pollution Control District, 157 Short Street, Bishop, California 93514. Comments may also be made during the public hearing. For further information, call the District's Board Clerk, Tori DeHaven at (760) 872-8211.
