### **NOTICE OF PUBLIC HEARING GREAT BASIN UNIFIED AIR POLLUTION CONTROL DISTRICT REVIEW OF 2017-2018 DISTRICT AND SB 270 BUDGETS AND ORDER**

The Governing Board of the Great Basin Unified Air Pollution Control District will conduct a public hearing for the purpose of reviewing the District's annual budgets and proposed California Health and Safety Code Section 42316 fee order for the 2017-2018 fiscal year and to provide the public with an opportunity to comment on the proposed budgets. The District has prepared a summary of its proposed total annual budget for the 2017-2018 fiscal year, including a schedule of fees to be imposed by the District to fund its programs. It should be noted that a portion of the budget is funded through an order authorized by California Health and Safety Code Section 42316, which requires the City of Los Angeles to pay fees to the District based on an estimate of the actual costs to the District of its activities associated with the development of mitigation measures and related air quality analysis associated with the air quality impacts of the City of Los Angeles' water diversion, conveyance and storage activities. A copy of the budget summaries will be available for inspection at the District office at the address shown below on or after February 7, 2017. The FY 2017-2018 District (non-SB 270) budget may include an automatic adjustment to permit fees to account for changes in the California Consumer Price Index. The budgets will not be adopted at the same meeting during which this public hearing is conducted. Rather, the Governing Board will consider adoption of the budgets at its next regular meeting, scheduled for May 11, 2017.

The public hearing will be conducted at a regular meeting of the District Governing Board to be held at 10:00 a.m. on Thursday, March 9, 2017, at the Inyo county Administrative Center, Board of Supervisors Chamber, 224 N. Edwards Street (U.S. Highway 395), Independence, CA 93526. The public hearing on the District's total annual budgets is set for 10:05 a.m. Written comments are invited, and should be addressed to Phillip L. Kiddoo, Air Pollution Control Officer, Great Basin Unified Air Pollution Control District, 157 Short Street, Bishop, California 93514. Written comments received by close of business on Wednesday, February 22, 2017, will be included in the staff report sent to the Governing Board members. Comments may also be made during the public hearing. For further information, call the District's Board Clerk, Tori DeHaven at (760) 872-8211.
