### PUBLIC NOTICE

#### **BEFORE THE HEARING BOARD OF THE GREAT BASIN UNIFIED AIR POLLUTION CONTROL DISTRICT**

To consider the granting of a Regular Variance, Case No. GB11-02

Pursuant to California Health & Safety Code § 40826, **30 day Notice of Variance other than Interim or 90 Days**. The public is hereby notified that a hearing will be held before the Great Basin Unified Air Pollution Control District (District) Hearing Board to consider a petition in the matter of a Regular Variance requested by Granite Construction Company. The hearing will be held at the District Office, located at 157 Short Street, Bishop, California, on Friday, August 26, 2011 at 9:30 am. Granite Construction Company is requesting that the District Hearing Board allow them to temporarily continue using a rental Tier 3 generator at their Hot Mix Asphaltic Concrete production plant in Lee Vining, California until line power can be secured or until June 30, 2012 or sooner.

Interested persons wishing to attend the hearing should notify the Hearing Board Clerk, Tori DeHaven, at (760) 872-8211 or via email at [tdehaven@gbuapcd.org](mailto:tdehaven@gbuapcd.org), no later than August 25, 2011 to be notified of any schedule changes for the hearing.
