Notice of Public Hearing

Consideration of the Issuance of an Order for Abatement
to the City of Los Angeles Department of Water and Power
for operations at Owens Lake
Case No. GB10-04

NOTICE IS HEREBY GIVEN that the Governing Board of the Great Basin Unified Air Pollution Control District will conduct a public hearing as provided in Section 42450 of the California Health and Safety Code for the purpose of considering the issuance of an Order for Abatement to the City of Los Angeles Department of Water and Power (City) to order the City to take action to correct their failure to install, operate and maintain approved dust (PM-10) control measures on the Owens Lake bed on the schedule required under District Board Order 080128-01 and District Hearing Board Order GB09-06. The Air Pollution Control Officer, as Petitioner, submitted a petition for an Order for Abatement. This petition is available for inspection at the District office, 157 Short Street, Bishop, California 93514. The public hearing will be conducted at a regular meeting of the District Governing Board to be held at 1:00 p.m. on Thursday, March 17, 2011, in the City of Los Angeles' Department of Water and Power multi-purpose room at 300 Mandich Street Bishop, California 93514. The public hearing on the Order for Abatement is set for 1:00 pm. Written comments are invited, and should be addressed to Ms. Tori DeHaven, Board Clerk, Great Basin Unified Air Pollution Control District, 157 Short Street, Bishop, California 93514. Written comments received by 5:00 pm on Friday, February 24, 2011 will be sent to the Governing Board. Comments may also be made during the public hearing. For further information, call Tori DeHaven at (760) 872-8211.
